----- Hi! Let's chat: Twitter: Facebook: You can also find me here: Donate and support my channel! Patreon: Bitcoin: 1KdSVk8YdTvzNbGgScRVZyHZwGZLZ7h Business email: tewi.engel@gmail.com **CURRENTLY NOT ACCEPTING COMMISSIONS SOLELY THROUGH PATREON** My trip to Russia is scheduled in January 2016. We are going to visit several cities in Russia: 1. Saint Petersburg and "Piter" 2. The Volga River and Kazan 3. Vladivostok The travel through Russia is really beautiful. It is not a "7 days tour". It is a little more expensive than Western Europe. You can travel directly from Saint Petersburg, for example, to Vladivostok. It is nice that most of the time, I have the airport pick up service. It will depend on the city I am visiting and the hotels situation. It is almost impossible to speak Russian in Russia. You should live in Saint Petersburg for at least a year to speak Russian. In Russia, if you see a sign on a shop: "НА БЕЧЕР В БАИГЕРCTBO" (it is for a chain pharmacy) then you can find this kind of pharmacy everywhere. These

What's New in the Phrasebook?

Phrasebook is an educational app that can help you learn and memorize a few words and phrases that you are likely to use when you arrive in a new country. The application comes with an intuitive and easy-to-use interface and can support the spoken language of over 100 countries. The app supports seven different languages (English, German, Spanish, Russian, Portuguese, Serbian and French) and you can select the known and unknown languages from the upper section. On the bottom-left side you can write or type the desired phrase in order to be read out. Phrasebook can set a minimum and maximum speed, and you can listen to the given phrase until you are able to memorize it. The application does not allow you to add new words or sentences that you are learning while traveling. Rating: 4.6/5 We have all been there, browsing our favorite store, and suddenly discover something that we didn't even know we needed. However, sometimes that something can be a word list. This is a list of hundreds of words from a variety of languages. It's for a world tour, and this is a handy app. Free Word Lists Synonym Finder Stuck for Words The app contains a list of words, and this makes it a great way to practice your language skills. You can play it on the go using your phone. You can also set it as your home screen for quick access to the most common words in the world. We chose for this review the English language, which includes over 50,000 words. Features The app comes with different lists from different languages. English is divided in lists for various categories such as geography, sports, technology, and so on. There are also lists for miscellaneous categories such as a list of words that end with letter 'r'. Another interesting category is the list of mathematical words. A nice touch would be to select what words you want to look up from a list of 50,000, and to press the search button to obtain your list. You can also access some dictionaries on Wikipedia, such as British English, and you can copy-paste the word in the search box. However, it will not recognize misspelled words, so you should check out your dictionary first. The app comes with different features to help you learn the words. For example, if you click the Anagram button, you will get a list of anagrams of the word you enter. The app allows you to share the word list you are working with. This is a great way to help others by sharing your progress. You can also see the most used words by other users. In fact, the word list contains over 50,000 words from various languages. When you are done with the word list, you can check out the Dictionary and Anagrams feature. If you want to

System Requirements:

Mac OS X 10.11 or later, or Windows 7 or later Intel-based computer or AMD-based computer Graphics card that supports OpenGL 1.4 and OpenGL 2.1 2 GB RAM 9 GB available hard disk space Webcam Sound card Source Filmmaker works best with QuickTime 7 or later on Mac OS X. QuickTime 7 or later is available for free download from the Apple App Store. QuickTime 7 or later is also available for free download from
