IcePack Converter For Windows

IcePack Converter Free Download is a Windows application that converts the ICR and ICA data files into IPK files, which can be used with any IceOp-compatible robot. Additionally, data conversion is fast and reliable; as data is saved as "native" IPK files, resulting in no chance that data corruption will happen, because it was not saved or loaded as "universal" data. Program Features: - Input method: ICR/ICA - Output format: IPK - ID string is auto generated from the converted data - Compatibility with IceOp 4.0 - Headless installation (you may never need a GUI) IcePack Converter Free - IceOp 4.0 compatible IcePack Converter Free is a freeware application that converts the ICR and ICA format into IPK files. Once converted, the IPK files can be used with any IceOp-compatible robot. IcePack Converter Free Description: IcePack Converter Free is a Windows application that converts the ICR and ICA format into IPK files, which can be used with any IceOp-compatible robot.
